

6516205268.txt

To whom it may concern, I pay for my satellite radio on a monthly basis and do not feel that it's any one's right to tell me who I have to listen to and whom I don't. If that was the case, I wouldn't have subscribed to satellite radio. I have the freedom in this country to make my own choices and I have done so. Please don't take that right away from me!

Sincerely,
Lisa Shewbridge
North Stonington, CT.
